

**Dear Parent,**

**This letter is to inform you that LLA Therapy is sensitive to children with food allergies to peanuts/tree nuts. We are asking your help to provide all students with a safe environment. It is important that there is strict avoidance to this food in order to prevent any potential life-threatening allergic reactions. To reduce the chance of this occurring, we are asking that you do not send any peanut or nut containing products to group/camp with your child. If your child has eaten peanuts/nuts before coming, please be sure their hands and face have been thoroughly washed before attending group/camp at LLA Therapy.**

**We appreciate your support of these procedures. Please complete and return this form so we are certain you have received this information. Please contact LLA Therapy at 330-867-2240 if you have any questions. Thank you!**

**I have read and understand the peanut/nut free procedures. I agree to do my part in keeping the LLA groups peanut and nut free. 😊**
